DINUBA — HIGH SCHOOL

The Delphic Echoes staff invites you to relive the feelings we have captured in the pages that follow as the 1978 school year comes to a close.

For the Freshman it was a beginning, a year of crazy fun and new things. For the Sophomores it was a year of triumph. They discovered that enterprize means profit. It was a husseling year that will launch them into upper-classhood. For the Juniors, it was a year of maturing. They must realize that they are next to set the pace and life after high school has entered their minds.

For the Seniors, it was a year of togetherness, a time to look back at all the fun and romance and how they have grown. It was their year! Now they know that all the love and excitement Dinuba High has brought them is over. The Seniors of 1978 must realize that the world is their tomorrow and Dinuba High School is their yesterday.

Staff Captures Memories

It was the hope of Editor Steve Riano to include more copy, to achieve pleasing layout designs, and to record the year in a way that would make the 1978 Delphic Echoes one that will have a reserved spot on the bookshelves of homes throughout the valley.

Stan Carrizosa described the years events with colorful descriptions while James Lee coordinated the photographic efforts as head photographer. Others working on photography and taking their turns processing film, making contact sheets, and enlarging prints were Stan Carrizosa, Dale Grant, Scott Seargeant, Tim Smith, Wayne Hasebe, and Jeff Doughty.

Other staff members included: Pam Counts, Kathleen Cunnea, Karen Furrer, Mike Golbek, Julia Gomez, Michelle Hayes, Joan Honda, Terri Jones, Lynette Kirkpatrick, Rhonda Lunsford, Denise McCord, Bruce Nii, James Schaffer, and Danny Wolcott. Miss Nina Zanucchi advised the staff.

A Year Of

1. The scoreboard reflects Emperor victory over Orosi. 2. J.V. Cheerleaders Denise McCord, Gayle Ekizian, Carla Carver, promoted spirit. 3. Homecoming Queen Shawn Rielly is surrounded by her court. 4. Nancy Christensen, Loren Gerbrandt, LeAnne Swiney, Kim Carver, and Karen Cline, (Sandy Jadoon not pictured) won positions in the State Honor Chorus. 5. DUHS students gave blood. 6. Fantasy Company presented successful one-night performances. 7. Denise Quinton, was the DUHS foreign exchange student.

Sharing, Giving And Learning

The year 1977 brought many things to DUHS students. One of the first was our AFS exchange student Denise Quinton. Denise came to us from Australia and is by far the prettiest exchange student ever.

Shortly after school began and old friends were re-united, our annual Raisin festival began. This year Miss Julie Burt was crowned Raisin Queen.

As late September rolled around so did the Orosi Cardinals. On September 30 the Cardinals came to the Emperors home stadium for the rival football game. Little did they know they would go home defeated as Dinuba won 21-8.

Another new addition to the football field was a first year staff of Junior Varsity cheerleaders. These were three girls selected to follow and cheer for our J.V.'s throughout the year. The girls were sophomores Denise McCord, Gayle Ekizian, and Carla Carver.

After a short road trip the Emperors came back to celebrate homecoming. On October 14, before a fine crowd, Miss Shawn Rielly was crowned 1977 homecoming Queen.

When they weren't going to football or basketball games, DUHS students were going to Fantasy Company's Saturday Night Live and The Gong Show. Both were a smashing success and a new style for our drama students.

While attending our basketball games with hopes of another league crown, our people had something new to watch. 1978 brought DUHS a new girls basketball team. The girls now have their own league with JV and Varsity squads.

Dinuba students also found that the need for blood was high in our valley. So a day was set up for high school students to give blood and DUHS produced an impressive 58 units.

Podney,
you're a real nice
guy. I'm glad we
friends and I were
we. always are. Have
fun this summer and
behave or I'll use
my brush on you.

Dany

Mrs. Simons Retires Plans To Travel

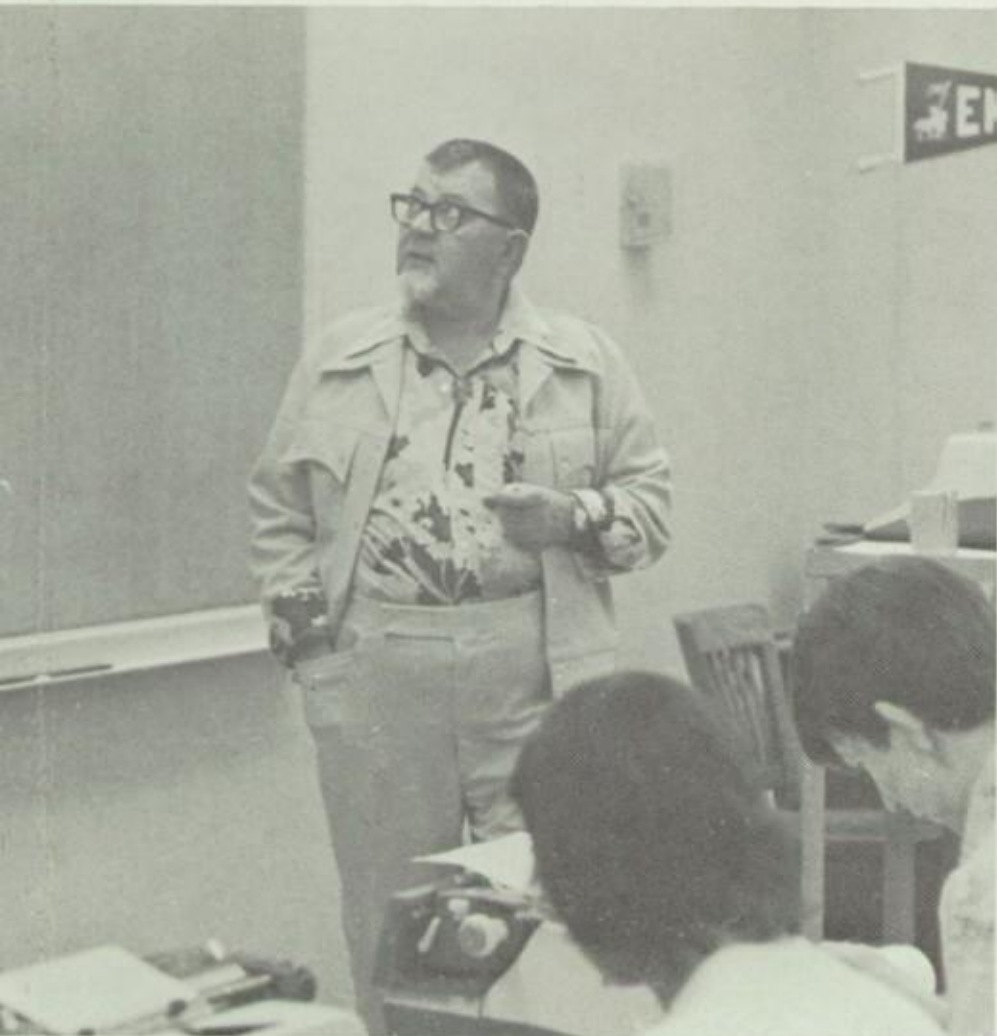

Mrs. Joan Simons has retired after 16 years of teaching at Dinuba High.

She was born in New York and at the age of two her family moved to Southern California. During college she majored in Political Science. Shortly after graduation she married Leonard a Navy man, and they traveled extensively.

She had never planned to become a teacher but when an opening came at Dinuba High, she accepted the challenge. She has been teaching P.E. for 16 years. Besides teaching, she coached swimming and diving for ten years. For the past three years she coached Volleyball and found it most rewarding. She was the advisor of AFS Club, to which she had donated much of her time. After retiring she plans to travel to Brazil and Japan to visit friends made through AFS.

Mrs. Simons loves Siamese cats. Some of her hobbies include needlepoint and quilting. She also loves to get involved in arts and crafts projects.

Mr. Hein Retires; Begins Third Career

After 16 years of teaching at Dinuba High School, Mr. Nicholas Hein has retired. Mr. Hein was born in Chicago, Illinois, and attended school there. Shortly after school he joined the Navy. Mr. Hein was one of the courageous men to serve during World War II. He was stationed out at sea when the actual bombing of Pearl Harbor took place. From his 22 year Naval career, he gained much experience and wisdom. When he retired from the service he pursued another career in teaching. After attending the University of Alabama, he taught in many places before settling in Dinuba.

In his 16 years here he has taught many business classes including typing, and shorthand. He has enjoyed his years at Dinuba. He has liked watching the students come and go, and grow and mature. During the spring Mr. Hein became very active. For every home swim meet and track meet you could see him timing the swimmers or helping with the track events. Best of all was his distinctive hobby of wearing hats. He was always wearing a different kind of hat. It was his way of having fun and bringing cheer to others.

After retiring Mr. Hein has planned on taking a trip with his wife, to Israel. For his third career, he plans to teach classes at his church. Whatever he does, his distinct foreign style will bring joy to those he meets.

SENIORS

Seniors Complete Four Active Years

The Class of 1978 has spent four exciting and enlightening years as members of the DUHS student body. As Freshmen, under the leadership of Freshmen Class President Stan Carrizosa, they were eager to meet the challenges of high school. They were a spirited class despite poster party raids, rally tickets, and ridicules. They managed to win three rallies.

With one year under their belts, they were more experienced and got more involved. They got involved in many of the clubs, starred in Drama productions, and dominated the Pep Squad. They were instrumental in restoring the "D" on D-Hill. Mike Ducusin was the Sophomore Class President.

As members of the Junior Class, they had the honor of sponsoring the Jr.-Sr. Prom under the direction of Junior Class President Stan Carrizosa. The Prom was held at the Holiday Inn in Visalia. The Pep Squad was again dominated by this class. Despite a grand effort by the Junior Powder Puff team, they lost to the Seniors 12-8, but the class was successful in winning the Homecoming activities.

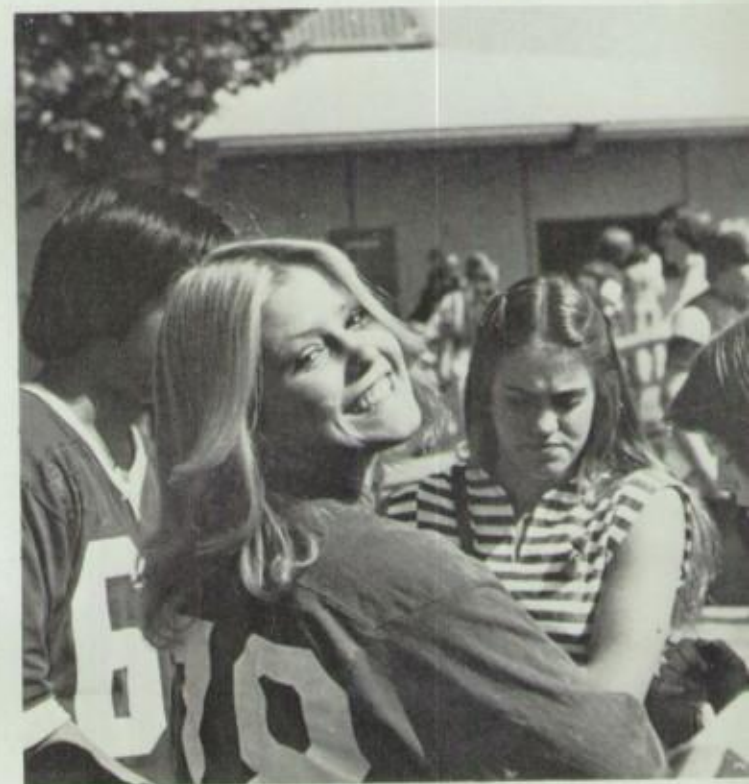

Finally in the honored position as Senior with Mark Cholakian as Senior Class President, they met the challenges of high school. They continued their winning ways claiming the victory in the Homecoming activities and by lending enthusiasm at the rallies.

1. Senior Class Officers: Vice-President Lubeya DeLeon President Mark Cholakian, and Secretary Nancy Celaya. 2. Cindy Jadoon works on a chemistry experiment. 3. Danny Parker is caught by the annual photographer between classes. 4. Seniors cheer the football team as the team leaves for Atascadero.

Senior Class Members Become Involved In

1. Rick Adams and Mark Cholakian sell sodas for Mini-Raisin Day.
2. Seniors assemble themselves for the Senior Class picture.
3. Leesha Holinbeck give annual photographer James Lee a smile.
4. Robert Sutterfield, John Gallagher, Steve Riano, and Brian Franzen model their Riano-designed personalized shirts.
5. David Muncy washes his hands after working on his car.

Numerous School, Community Functions

6. Seniors participate in the Raisin Day parade. 7. Senior Class advisor Mr. Rex Clark helps Lubeya DeLeon decorate her car for Homecoming. 8. Tom Ebiner, Sophomore Kim Cochran, and Robert Reed enjoy Mini-Raisin Day.

Mr. Clark has been a very dedicated sponsor all four years that we, the Seniors, have been here. He has donated his time, patience, skill and knowledge to and for the betterment of our class. He has always

been there when we have needed him. Our words could never be enough to thank him not only as a teacher and our sponsor, but as a friend.

MR. REX CLARK

Dinuba Welcomes A.F.S. Student

What can I say except Hi! I'm Denise Quinton, the AFS student Dinuba imported from Australia, "Down Under" or whatever else you like to call the place for 77-78.

Until this year, I've spent all my life, that is, since December 1, 1959 living in a bayside suburb of Melbourne, which is the capital city of one of Victoria's southern states. Victoria, has 2½ million people. I'd say that Melbourne is slightly larger than Dinuba, but both have their advantages and I've found many things to love here and I like to think of it as my small town.

It hasn't only been a change living more than a mile from the beach but school too has been different. After spending 5½ years in a private all-girl school where uniforms and tied back hair are a must, it's been a contrast living in a world of homecomings, pep-girls, attendance offices, and everything else that makes American High School life. I'll be reminded again of the differences when I go back to my old school to complete the last six months of my Australian schooling and sit for my final exams.

I may graduate with more tardies than most but this has been a time when schooling has been a lot of fun and I'm grateful for the people I've shared it with.

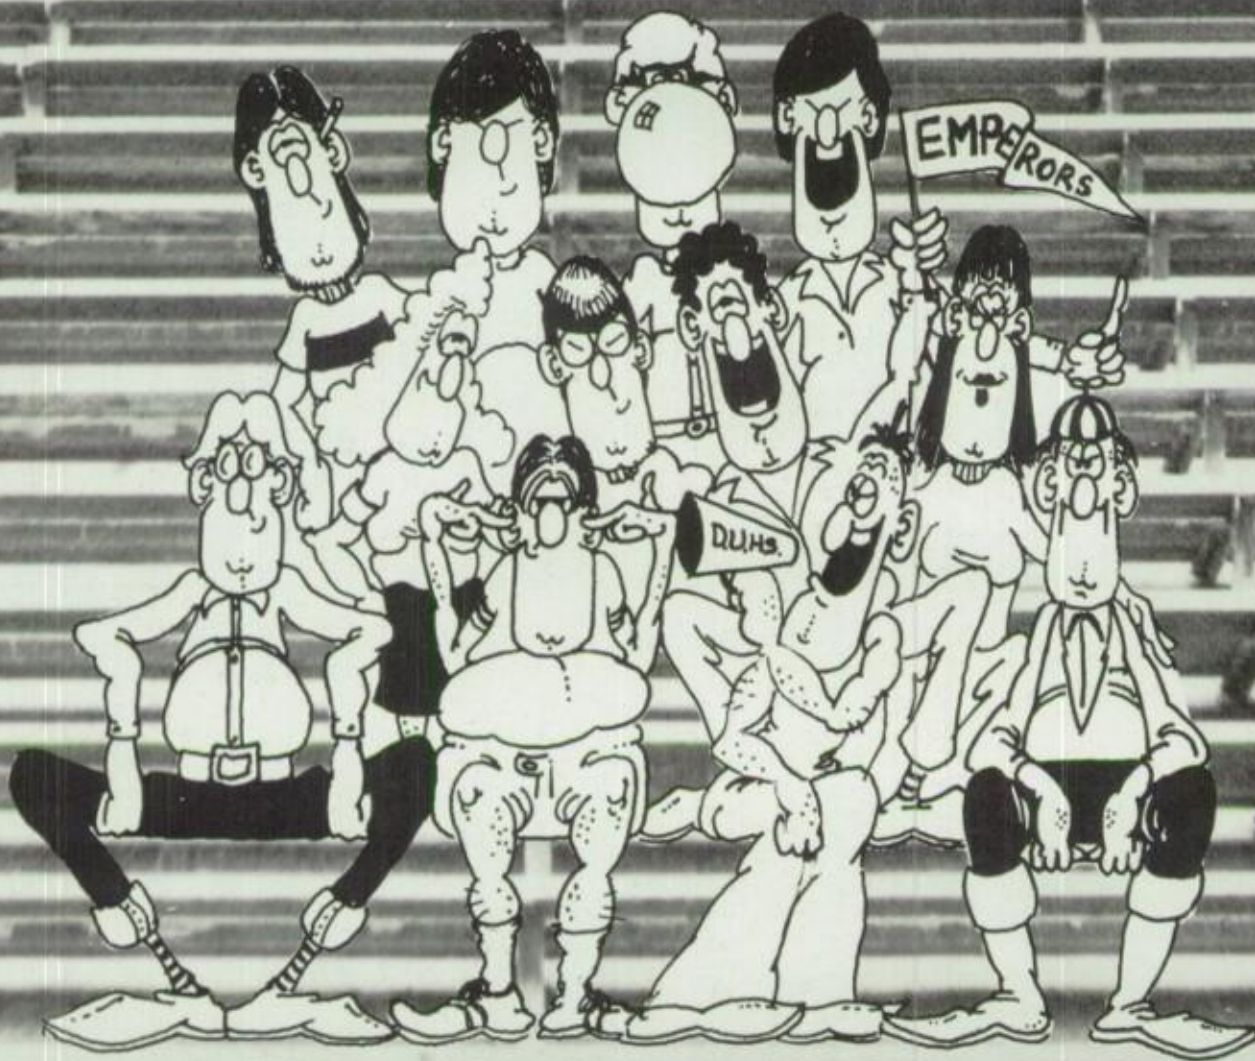

Once 12 months away from Home seemed like an age but the people I've spent the months with have made it pass quickly-too quickly. I've come to love the Raisons as my second family. The friends that I've made in and out of school

have made me feel at home and made my A.F.S. year seems short.

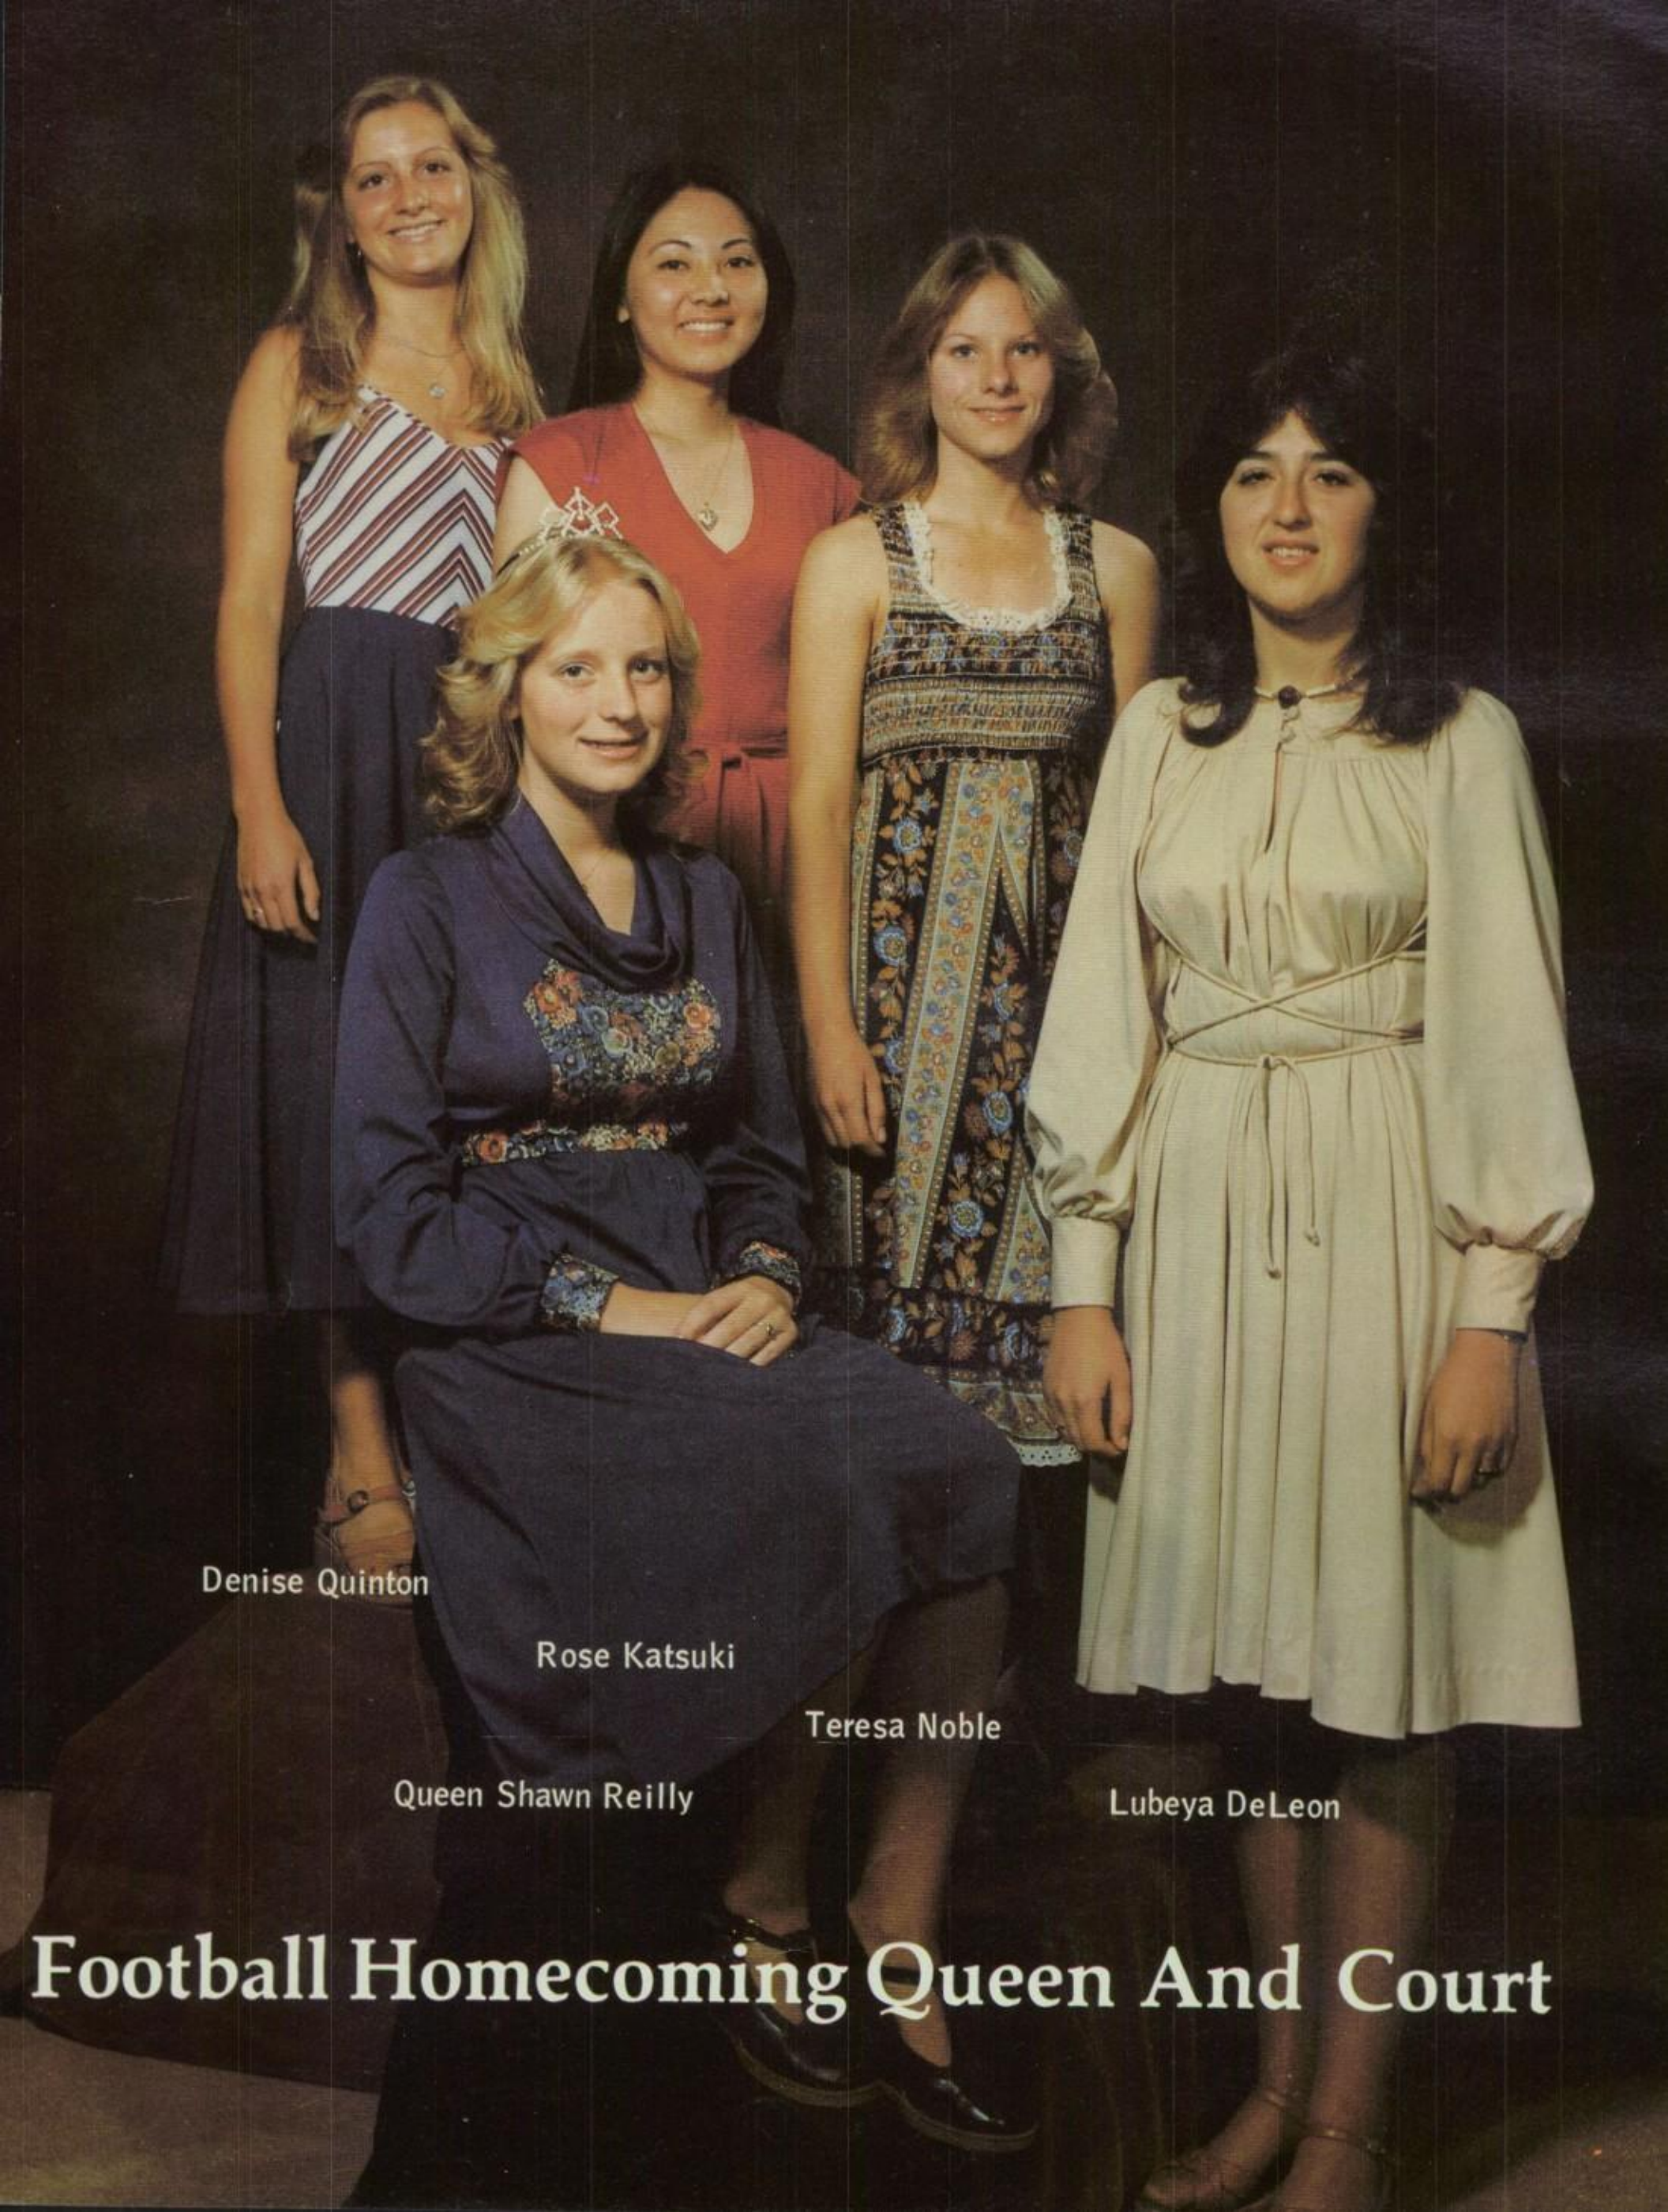

Thank you for the town, the school, the homes and the love you've all opened to me. It's been a time I'll always remember and treasure, and I'll come back to the Dinuba I've come to know.

Achieves Perfection: No. 1 At Cupertino

1. Band Director Steven Drouillard checks the band's formation, 2. The band practices marching on neighboring streets, 3. Drum Major Eddie Delgado leads the band to victory.

The Marching Emperor Showband proved they were still the best as they took top honors at the Cupertino Tournament of Bands. Junior Eddie Delgado won a third place trophy in the drum major competition. They competed in the Selma Band Review where they received a second place trophy in the parade competition and a first place trophy in the half-time competition. The band also competed in the Merced Band Review and the Music Festival. The band marched in Dinuba's Raisin Day Parade and other local parades. They also added to the school spirit by playing lively music at the rallies and games. At the home football games, they entertained the audience with their spectacular half-time shows. Through generous donations from the community, appropriations from the school board, and the hard work of the band members, \$24,000 was raised for new uniforms. They will receive the uniforms in time for the 1978-79 marching season.

Junior LeAnne Swiney Claims First

Junior LeAnne Swiney was the first to be chosen as Vocalist of the Year at DUHS. In order to earn the title a student must earn 700 points during a school year. After earning these 700 points, students sing before a panel of judges, all of whom are qualified vocal directors. These judges listen and judge skill, poise, technique, method and interpretation of a song.

At the Academic Awards Night the Vocalist of the Year is announced and given a trophy, a \$100 scholarship, and their name is inscribed on a plaque. The Vocalist of the Year performs in many concerts including the Christmas, Spring, and Annual Appreciation concerts.

The Chorus and Madrigals perform in many school and community functions. Vocal Director Mrs. Nancy Jones said that her goal is, "to have the vocal department develop so that it will be a pride and credit to the school. I would like them to develop and perfect their instrument, the voice."

MADRIGALS. BACK ROW: Sandy Jadoon, Kim Carver, Loren Gerbrandt, Brian Owen, Anna Aguilar, and Rod Sbragia. MIDDLE ROW: Tina Sbragia, LeAnne Swiney, Dale Grant, Sharon Isaak, and Jim Ware. FRONT ROW: Jackie Jones, Nancy Christensen, Lori Wade, and Mrs. Nancy Jones.

served in this capacity.

The Pep Girls were led during the year by Junior Becky Springer and Head Cheerleader Teresa Noble served as an elected member of Student Council. The girls were advised by Mrs. Marilyn Kirst.

DUHS Pep Girls Go To The 'Pros'

The 1977-78 school year was a busy one for the pep squad. Besides leading a very spirited student body at the rallies, the girls also cheered, chanted, and danced up a storm at the football and basketball games. They made different little gifts for the players and baked them cookies and cupcakes. Also, they gave presents like these to opposing pep squads as a gesture of good will. Furthermore, they served as bat girls at the baseball games, and they helped out at the wrestling, track, and swimming meets. During the summer, the pep squad went to pep camp in Santa Barbara, and they also practiced very hard throughout the

year to look their best. They competed in two local competitions at Reedley College and at College of the Sequoias. In October the pep girls went to the San Francisco 49ers vs. Detroit Lions football game at Candlestick Park where they competed and won fourth place out of a field of 53 high schools from all over California. As one of the four trophy winners, the pep girls returned to Candlestick Park in December to cheer at the nationally televised Monday Night football game between the San Francisco 49ers and the Dallas Cowboys.

1. The pep girls smile for the photographer before leaving for the San Francisco 49ers-Dallas Cowboys game. 2. The pep girls boost DUHS spirit during the Raisin Day Parade. 3. Pep Club members Laure Kirst, Amanda Weaver, Ellyn Spaunhurst, and Sue Lyon paint colorful football posters. 4. The Varsity Cheerleaders lead a spirited Student Body during a rally.

Expanded Emerald League Hosts Formal

With an expanded membership that for the first time included boys, the Emerald League (formerly known as Girls League) sponsored the annual Christmas Formal on December 10 at the Washington Junior High Cafeteria.

Students and their dates danced to the sounds of August, and enjoyed homemade cookies and punch.

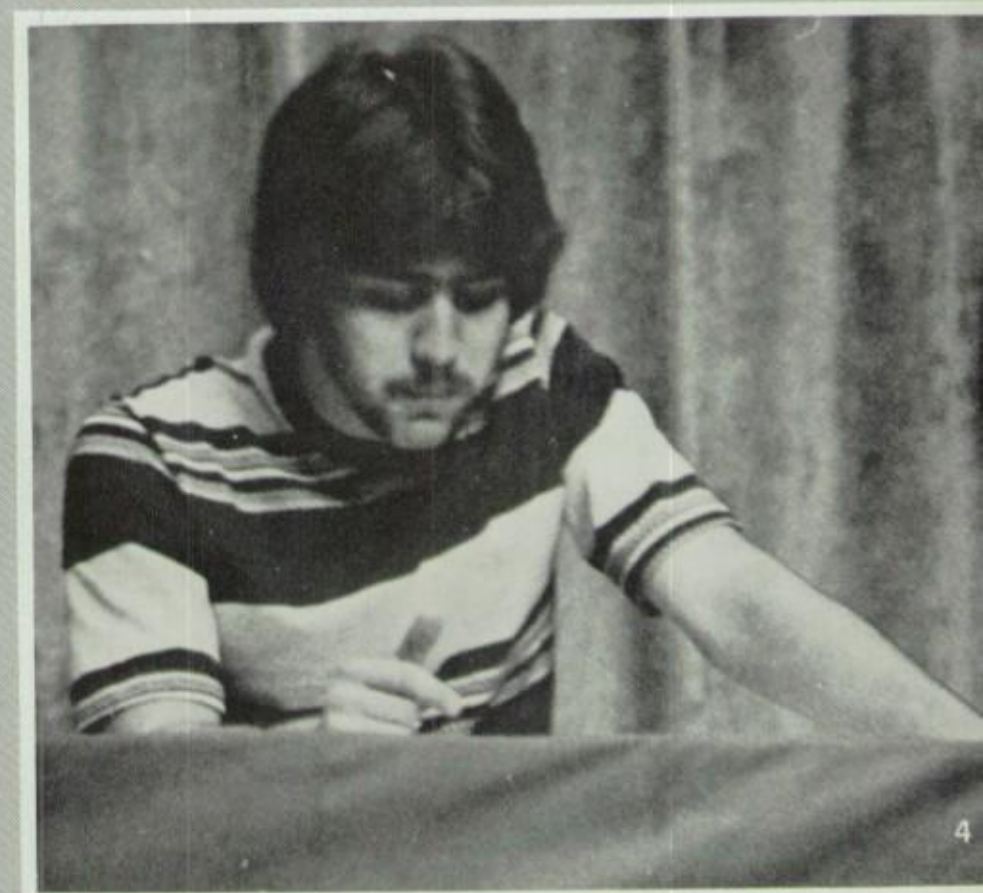

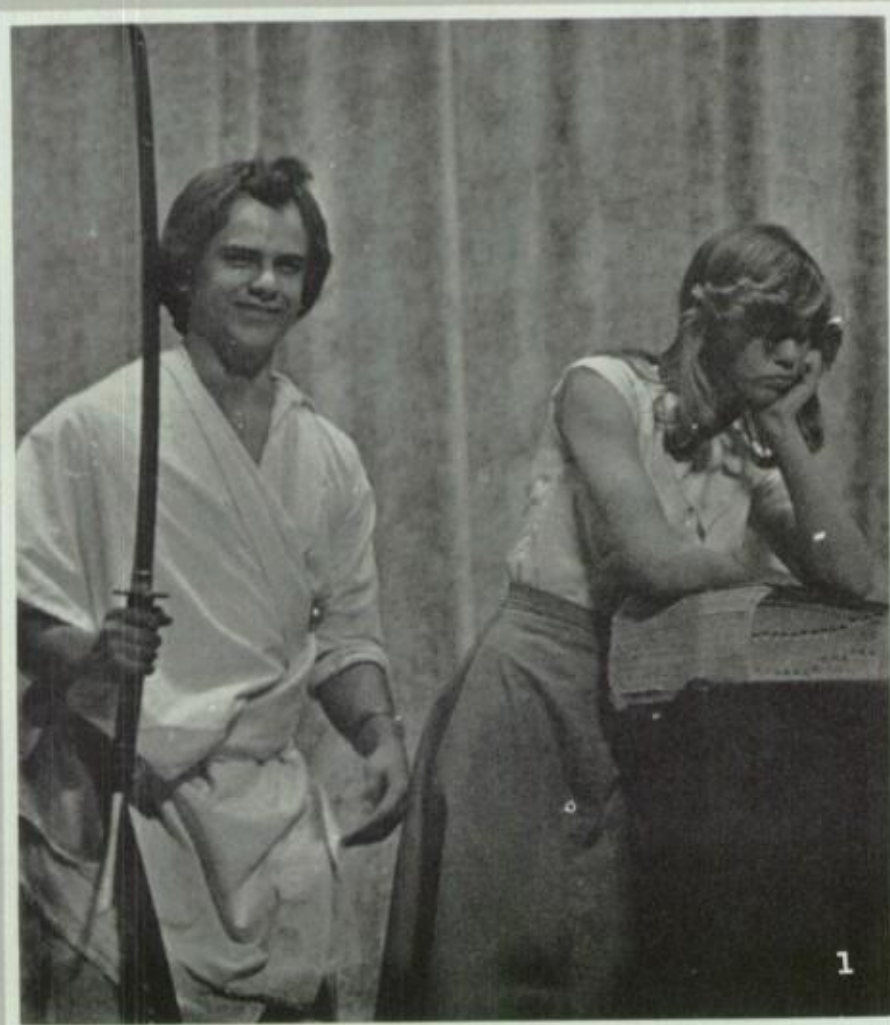

The cafeteria was decorated with flocked Christmas trees and colorful holiday stockings. Red tablecloths were accented with fragrant pine boughs, candy canes, and twinkling candles.

Chaperoning the festive event were Miss Jean Smith, Miss Leslie Rasmussen, Mrs. Jan Horstmann, Mr. Albert Perales, and Mr. and Mrs. Leonard Simons.

1. Senior Danny Parker kisses Terri Collins' hand. 2. Jesse Arias, Shawn Reilly, Billy Terry, and Cyndi Noji pose for the camera. 3. Robert Sutterfield and Jane Pattee take a break from dancing.

Fantasy Co.'s Saturday

1. Robert Sutterfield humors the audience as 'Samurai Dermatologist' while Kim Carver ignores his antics, 2. "Ye doesn't has to call me Mr. Johnson", says Mr. Dennis Adkins, advisor and host of the show, 3. John Gallagher plays the accordion as 'Happy Kyne of Fernwood 2 Night, 4. Steve Riano reads a segment of comedy news, 5. Brian Franzen and Steve Botkin demonstrate the 'Mash-o-Matic,' 6. Peggy and Kathy Munson recreate the characters of 'Charlie's Angels,' 7. Raymond Soden portrays the character of 'Mr. Greenjeans' from Captain Kangaroo.

Night Comes Alive

The public had only one opportunity to see the Fantasy Co. version of 'Saturday Night Live'. It was presented on November 19, 1977 at 7:30 in the Hellbaum Auditorium. The show consisted mainly of original comedy material. Accompanying music was provided by members of the Dinuba High School Band.

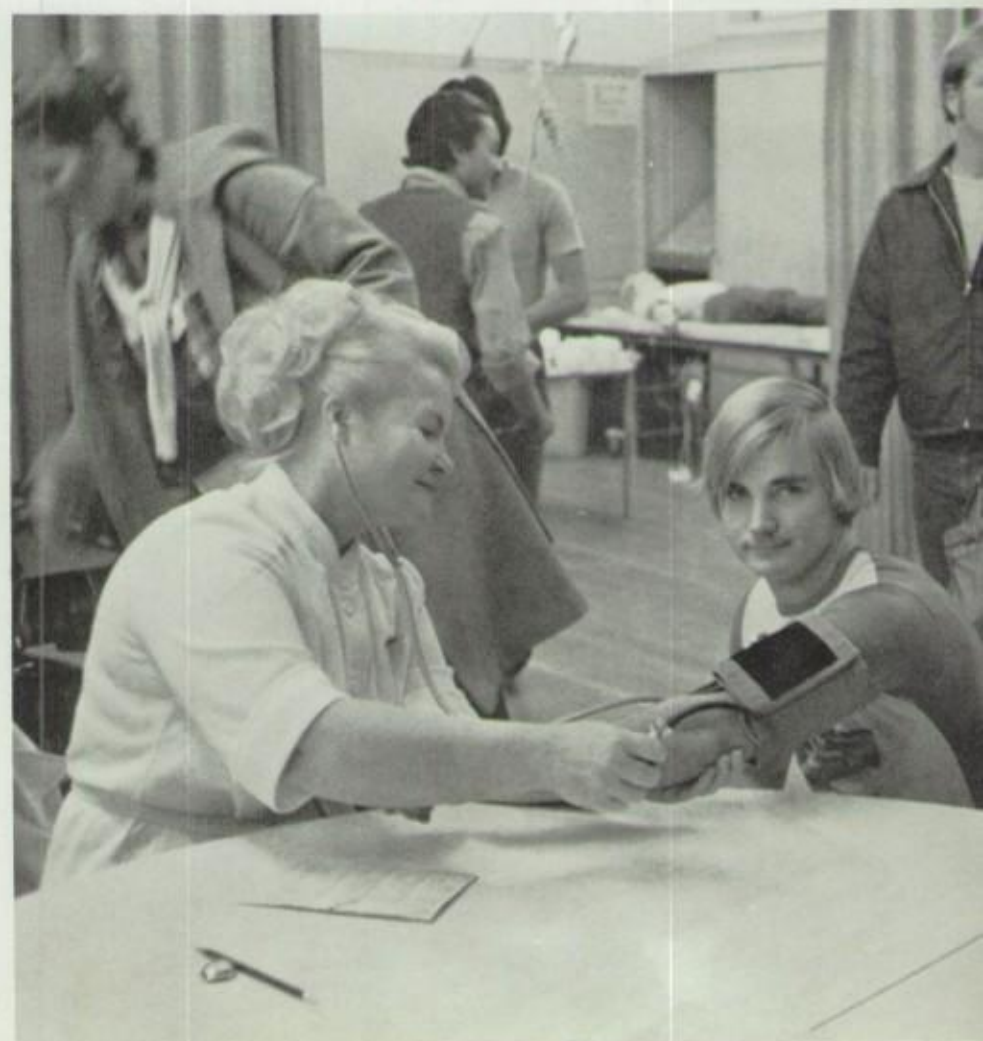

The production was conceived and directed by the Fantasy Co. Executive Council, with help from the advisor and creative consultant, Mr. Dennis Adkins.

The show was filled with humor and a great deal of fun.

Give The Gift Of Life

DUHS students, faculty members, and administration, gave San Joaquin Valley residents the greatest Christmas gift of all, a gift of life. Students needed to be at least 18 years old or 17 with parents permission to give blood. It's a proven fact that high school and college students make up 80% of the blood donors in the U.S. The younger generation carries the load. With the endless demand for blood, the hospitals turn to America's youth for healthy blood. Dinuba High School students rose to the occasion. They topped last year's mark of 40 units by giving 58 units of usable blood. Aside from the sore arm, they were all assured of a limitless supply of blood for them or their family in the case of an emergency for donating one pint. The price of blood is \$40 a pint so one pint of blood was a small price to pay.

5. Graviel Espinosa holds his arm after giving his blood. 6. The nurse removes the needle from Senior Rick Adams after he donated a pint of blood.

A Message From The Principal

Principal Billie Asher

As I look towards the 30th Graduation Exercise which I have experienced here, many things about Dinuba High School stand out in my memory. Strongest among these, is the courtesy, respect, and general good behavior demonstrated by Dinuba High School students over the years. Visitors to our campus and entertainers in our auditorium have always remarked on this. These traits which you have developed at such a tender age will be with you and will be characteristic of you for the rest of your lives. Your friendliness has also been enjoyed over the years. It is gratifying to walk across the campus and be spoken to by 100 young adults on the way. Your band and athletic teams are famous in California for their gentlemanly behavior and it has been my good fortune to bask in their fine reputations.

Finally, Class of 1978 - good luck. You face a wonderful future.

DINUBA, FRIDAY SEPT. 30, 1977

It was a warm autumn day and the perfect setting for the 64th meeting between the Orosi Cardinals and the Emperors of Dinuba. Warm sunshine wasn't the only thing in the air that day, football mania had struck the area. Both teams practiced hard during the week in hopes of a glorious victory. As the Serpentine rally wound through town, the community was filled with hopeful smiles, encouraging words, and even an occasional bet or two. Despite all of the fun and excitement, there was definitely a serious side to the matter. This was felt by the coaches and Emperor squad as they prepared for the game. Suddenly it was Friday, school was out and game time was just hours away. The field was empty, the bleachers quiet and the air was still. The J.V. game began at six o'clock and was half way gone when the Varsity Emps made their way to the locker room. By this time the stands were almost full and the pressure was on! As the varsity assembled in the locker room things were rather quiet.

Coach Springer, Juan Montelongo, (10) Wayne Carpenter (66) and a host of Emperors give support from the side-lines.

Emps Claim Victory

(continued from page 119)

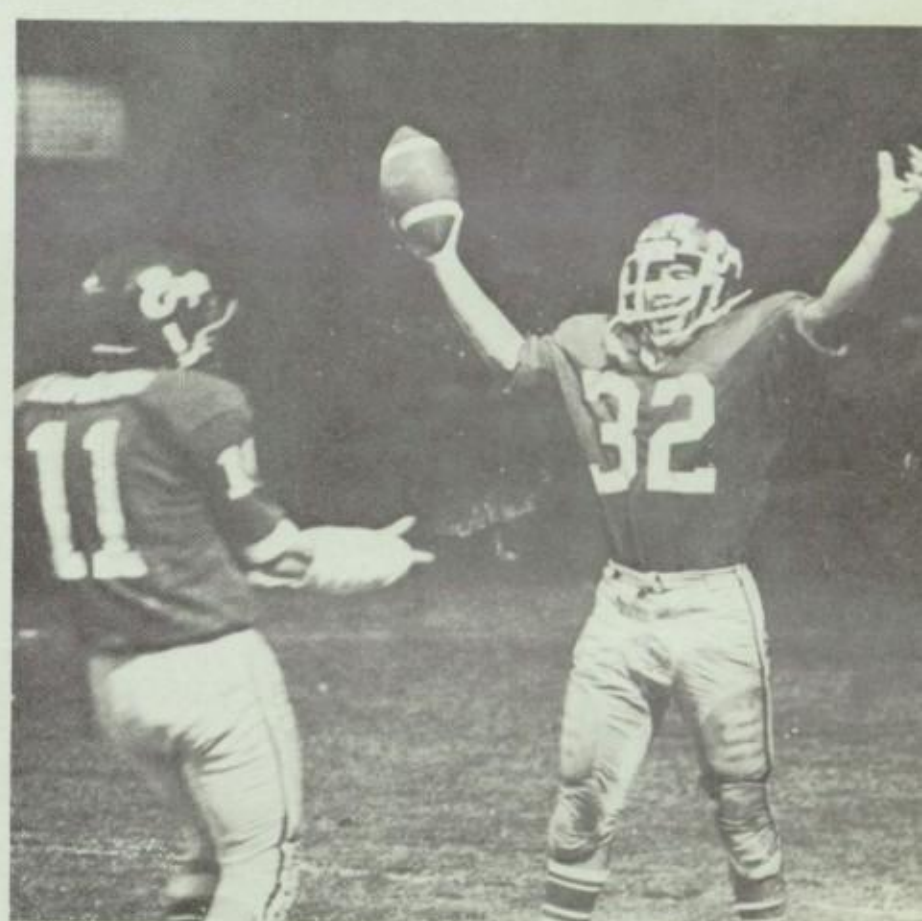

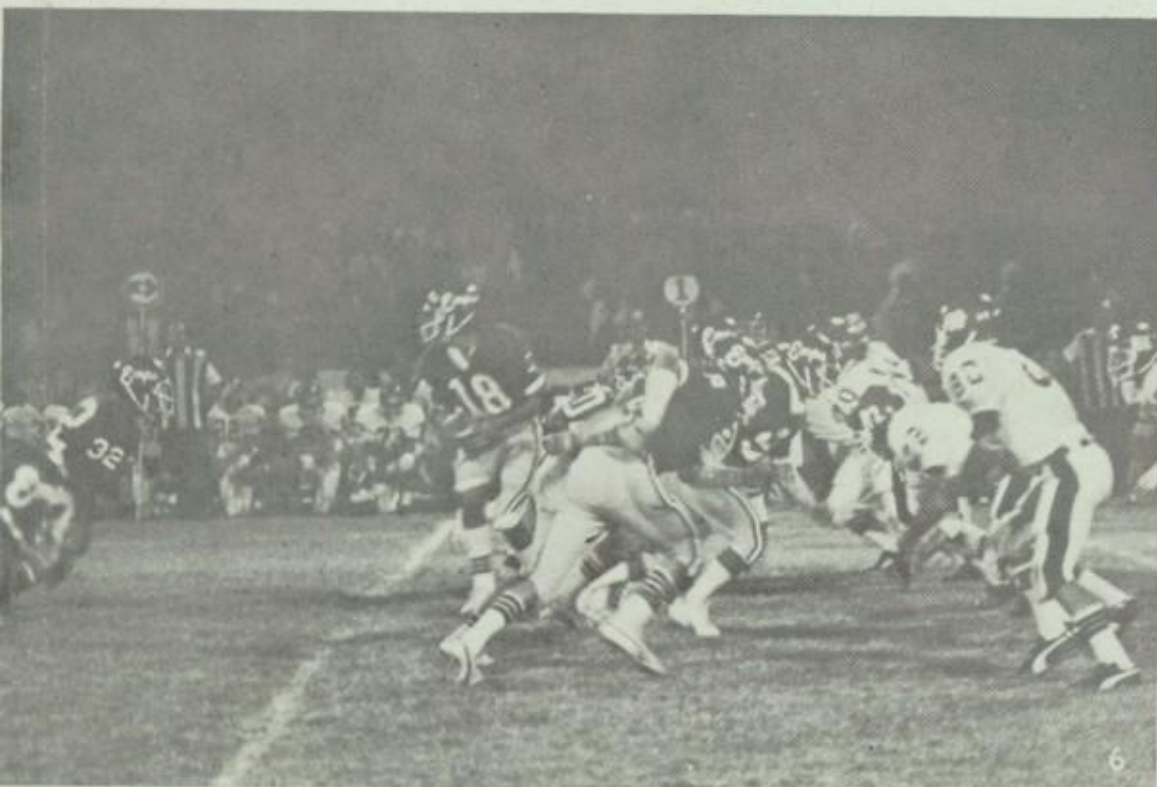

There sat thirty-five young men, all feeling the same thing, a burning desire to win, to beat their traditional rival, to please their coaches, town, family and friends. Yet most of all to please themselves. The Seniors carried a special desire for this would be their last chance to play Orosi. To top it all off the Emps had failed to beat Orosi in the last two years. The Emps were confident yet they all felt the pregame butterflies in knots of anticipation. Then it was time, the Emps mounted the field in great style circling the entire field before warm ups. Both teams screamed out anxious yells awaiting the first physical contact. The Emps defense were the first to taste action as Dinuba kicked off. After quickly stopping the Orosi offense it was Dinuba's turn to move the ball, and move the ball they did. For on the third play from scrimmage Senior Quarter back Dino Castillo hit Senior split end Scott Seargeant on a forty eight yard touchdown pass. From then on in it was all Dinuba. Even though the half-time score was still 7-0 it would be only a matter of time before the Emperors would blow it open.

Receiving the ball at the start the third Quarter the Emp offense executed a precisioned drive covering 70 yards in 12 plays, using ten minutes all to be capped with a two yard plunge by Junior Running back Rich Valdez. The Cardinals threatened by scoring late in the third period, but that turned out to be their lone score. Not for the Emps though. Once again they showed great game control by mounting another long drive again to finish with Junior Running back Richard Valdez scoring from three yards out. When the final gun sounded the Emperors merged victorious. With the score board showing no time left and a 21-8 decision in favor of Dinuba a joyful sigh of relief was felt. Warm feelings of love for their coach and teammates lingered in their hearts, and on their tongue was the sweet taste of victory. A moment that will be cherished forever.

1. Juniors Kerry Hembre (20), John Beckwith and a host of Emperor defenders show good gang tackling. 2. The Emperor bench watches tensely during a last minute thriller against Selma which Dinuba won, 23-21 in last 44 seconds. 3. Senior running back Ben Sparks shows leg power as he takes on a Kingsburg tackler.

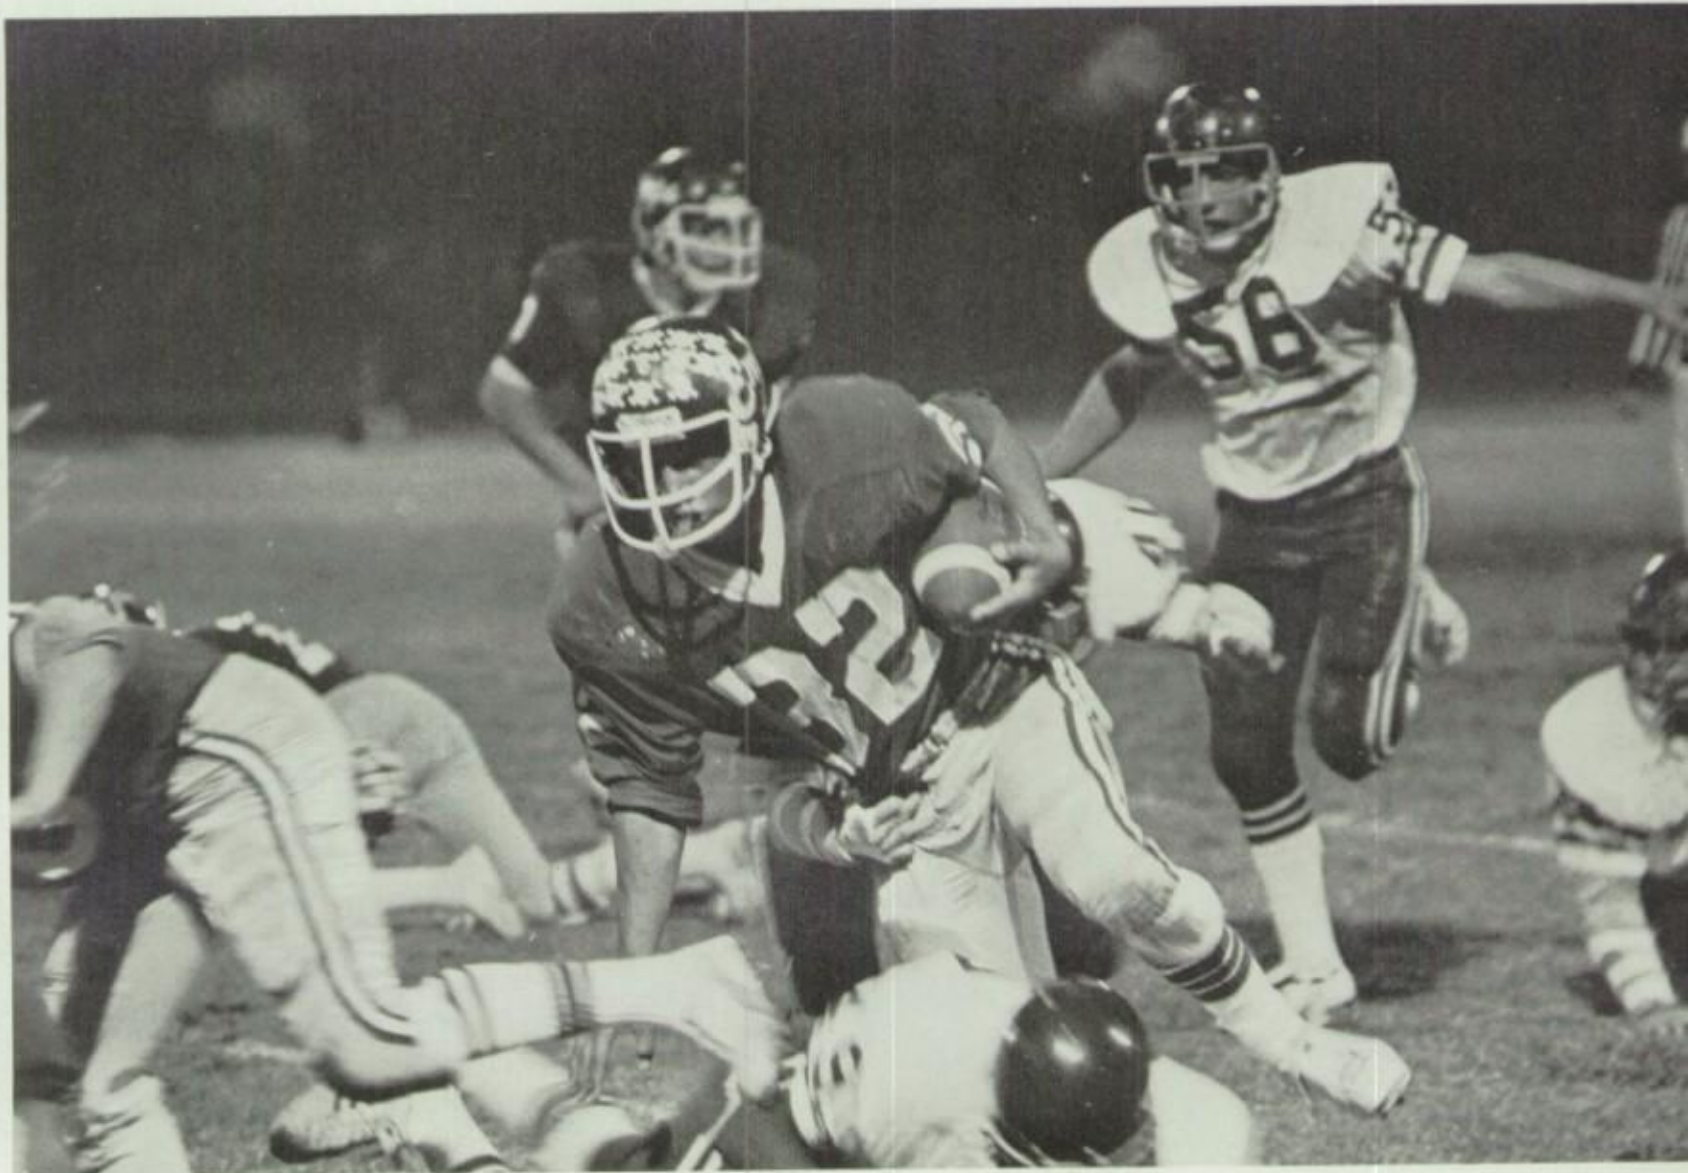

Emperors Victory Over Selma 23-21

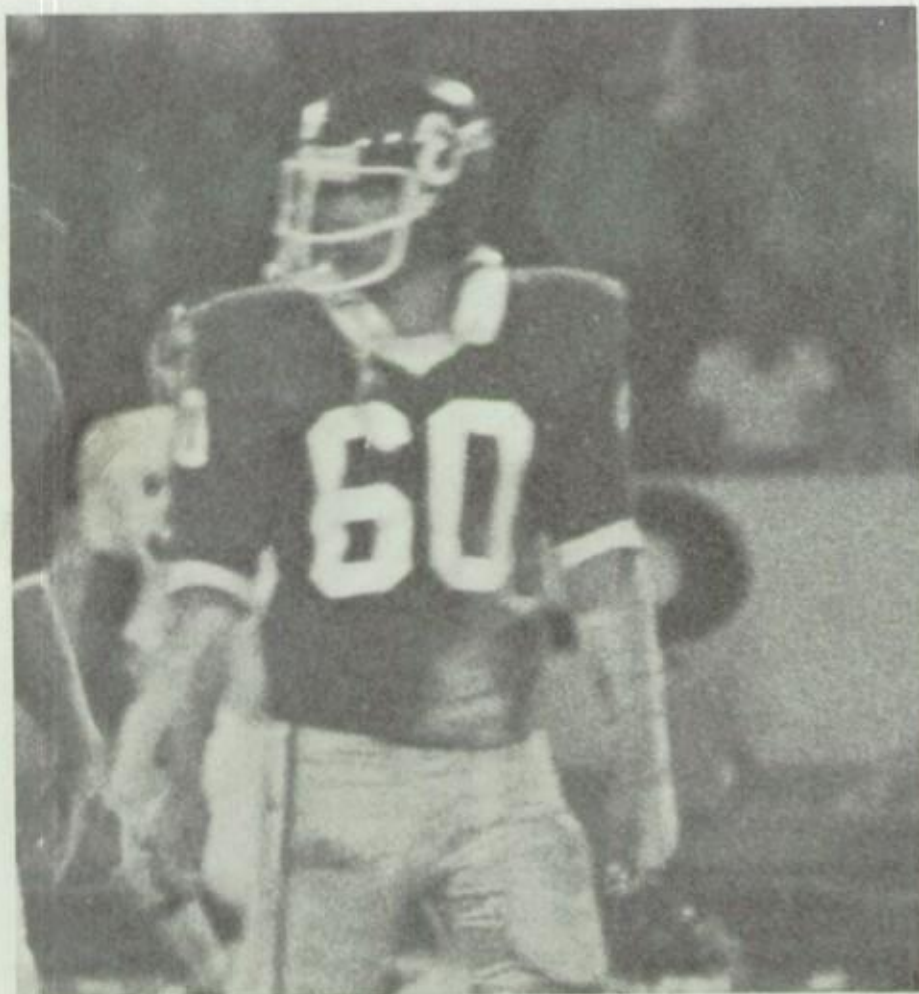

4, Junior Rob Agnew (9) extends through a punt, against the Kingsburg Vikings. 5, Senior QB Dino Castillo (18) and Chester Starling watched as the Emp Defense battled Selma. 6, Dinuba's offense drives off the ball looking for yards against Reedley. 7, Junior Rich Valdez happily signals touch down after making a key score against Selma. Chris Simmons (11) offers congratulations. 8, Emperor teammates joyfully mob Junior Isidero Quintero after catching a last minute touchdown pass to lift Dinuba past Selma.

QUEEN KARLA COCHRAN

On Friday January 6, the students at DUHS had a great time with crazy hat and T-Shirt Day. During the Homecoming Rally, a three-minute banana eating contest was held, Junior Danny Nourian outgorged all competitors by downing six large ripe bananas. Other competitors were Senior Bob Devora, Sophomore Kenny Hebert, and Freshman Ted Febres. Sophomores sold buttons to promote spirit and Dinuba's varsity basketball team claimed victory when Dinuba hosted San Joaquin Memorial. At halftime the tension grew as the Queen finalists and their escorts were assembled. Karla Cochran was then crowned by Dino Castillo as the 1978 Homecoming Queen for the winter sports. Also competing for the coveted title were Seniors Cindy Jadoon, Denise Quinton, Leesha Holinbeck, and Nancy Sanchez.

As the regular season came to a close, the Dinuba Varsity Emperors were tied for second place with the San Joaquin Memorial Panthers. In order to decide the second place position a playoff game was scheduled at Sanger, a neutral site.

The Emps, with support from a large spirited crowd, defeated the Panthers and claimed second place. According to Coach Sonny Festejo the spirited crowd was, "just like having a sixth player on the court."

From Sanger it was onto Bakersfield to play the Foothill High School Trojans in the first round of the Valley Playoffs. Due to foggy conditions, the game that was originally scheduled for a Friday night was played on a Saturday afternoon. Two rooters buses, the pep band, and a host of supporters followed the team to Bakersfield.

Emps Enter Playoff Competition Against Foothill

BAKERSFIELD, FOOTHILL HIGH SCHOOL FEBRUARY 25, 1978 - For the third consecutive year in a row, Coach Festejo led his Varsity Basketball Emperors to the first round of the Valley playoffs. Championship Basketball has become a tradition in Dinuba since the arrival of Coach Festejo. This year's Emperor squad was much the same as those he had produced in the past two years. It was quick, hard-fighting, percentage-shooting team who thrived on endless hussle that so often wore their opponent into the ground. This year was a special triumph for the Emperors as they started slowly in pre-season. Having an inexperienced team with only three returning letterman, the Emperors had troubles early, and hopes of a third playoff spot looked dim.

Then things began to fall in place, as the Emperors stacked up six straight victories in their first six league games. Perhaps one of the only things that was different for Coach Festejo and his Emperors was the crowd. 1978 brought by far the wildest, warmest crowd participation. The home crowd thoroughly demoralized the opponents, and could have had a part in the fact that the Emps did not loose a single home league game. For the team it was a great year. They proved to the critics that they could overcome

their youth to be the champions that they were. With talented Seniors like third-year letterman and team Captain Dino Castillo, second-year man Coney Rhea and first-year hussler Ruben Norien, they felt confident.

It all came down to one day. The first-round playoff match-up against Bakersfield's Foothill Trojans. Never getting past the first game in the Playoffs, Festejo and his team had a special desire to win. The Emperors battled furiously as the lead changed hands several times. Before a crowd of about one-thousand Dinubans the Emperors provided thrills and excitement. Then the fourth quarter began to turn the tide. Suddenly the Emps found themselves down by twelve points with less than two minutes to go. A season of hard work began to slip away. Coach Festejo came home defeated for the third year in a row. The score was 65-49. Yet the Emps never lost the love of their loyal fans and hopes of a Valley Championship still live on. For a team who was said by Sports Writers to be a non-contender early in the season, Dinuba was awesome. Their dedication, consistency, excitement and desire to win carried them far above the playoffs in the hearts of the Student Body and Community.

Frosh-Soph Squad Posts Stunning 13-2 Record

Led by Varsity Coach Sonny Festejo, the 1978 Frosh-Soph basketball team posted a stunning 13-2 season record. The only two losses the team suffered were to Hanford and Selma. The record is one of the best in DUHS history. When the team participated in the Clovis West Tournament, they took 1st place in the Consolation Bracket. Coach Festejo credits the successful season to the excellent ability of the Frosh-Soph team. Courtwise, he feels they were the most talented team in comparison with recent years. The future looks bright for the prospective JV and Varsity teams.

1978 VARSITY GIRLS BASKETBALL TEAM: FRONT ROW Coach Carolyn Pistacchio. BACK ROW: Sally Acosta, Tami Tuttrup, Pat Sparks, Kathy Cunnea, Elaine Davis, Nancy Kalendar, Lynne Mello, and Jane Pattee.

For the first time in DUHS athletic history there was a girls basketball team.

The girls gained a lot of experience and suffered repeated defeats, but they did not give up. Under Coach Carolyn Pistacchio and with help from Mr. Dave Gaston and Miss Sharon Mason, the girls won their first game on the road at Selma. The victory brought tears to the girls who had worked so hard. Not only were the girls happy, but the pep girls, cheerleaders, and the crowd were overjoyed with the girls' victory and achievement.

Although the girls experienced a lot of awkward moments and difficulties, they won four games, two from Selma, one from Kingsburg, and one from Clovis West.

Through their experience they learned to work together as a team and to never give up while being defeated.

This first year for the girls basketball team was a good one even though they were defeated. They learned a lot and now have the experience to carry it on to next years team.

Empty Weight Classes Hamper Grappler Efforts

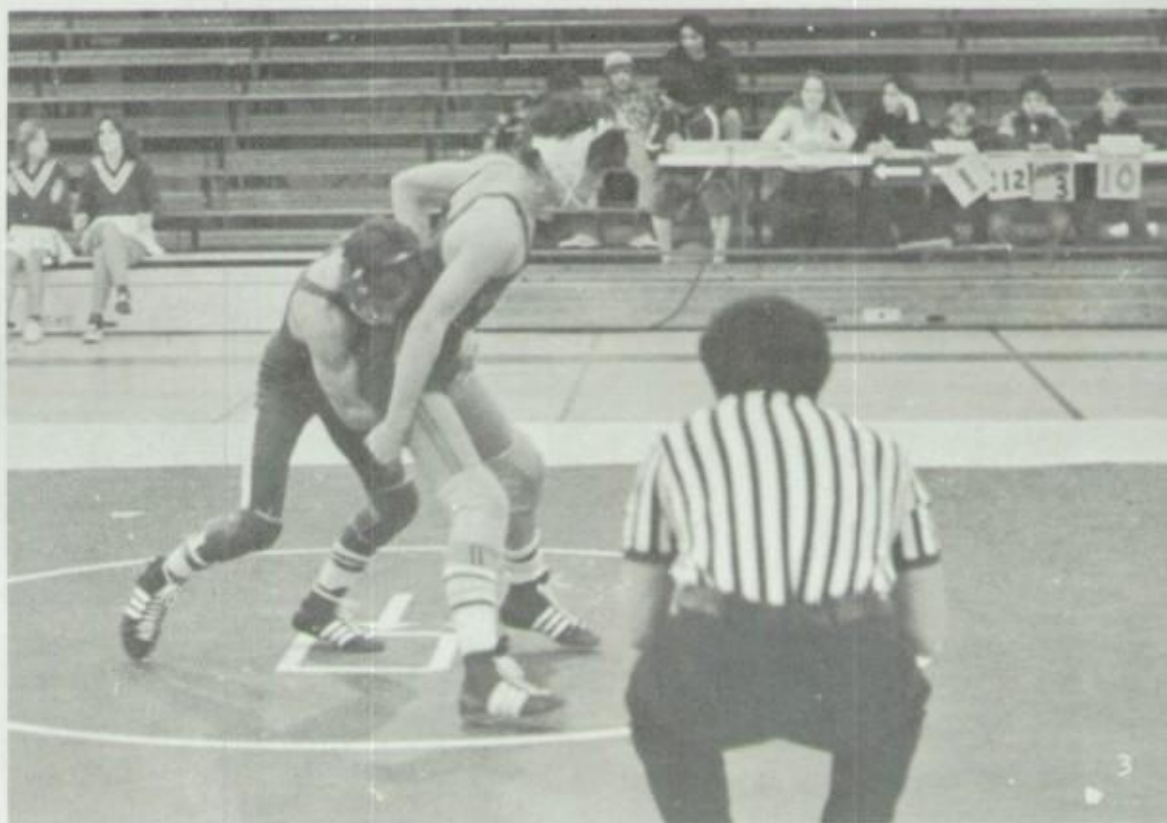

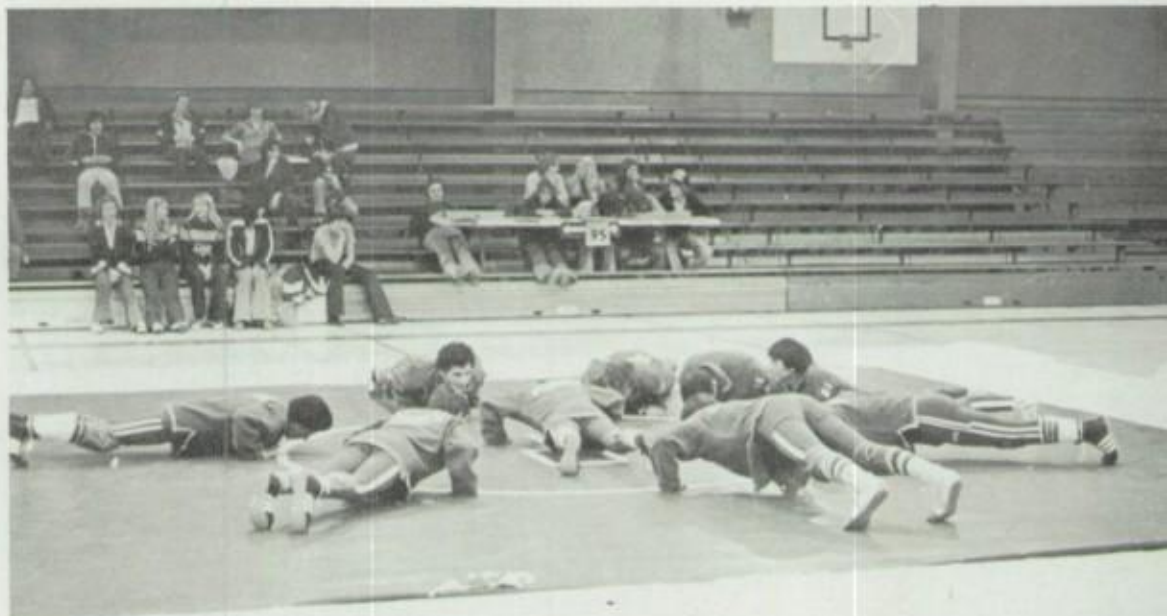

The Dinuba Union High School wrestling team had a very difficult year. Those who participated in the sport realized that there were not enough members to cover every weight class. For this reason they had to surrender 36 points per match even before they hit the mats. The team had six first-year wrestlers and three of them were on the varsity team. There were also four seniors that added support to the remaining squad.

Even though they forfeit every match, the team worked hard and gained experience.

Coach Newell Comments On Team Hardships

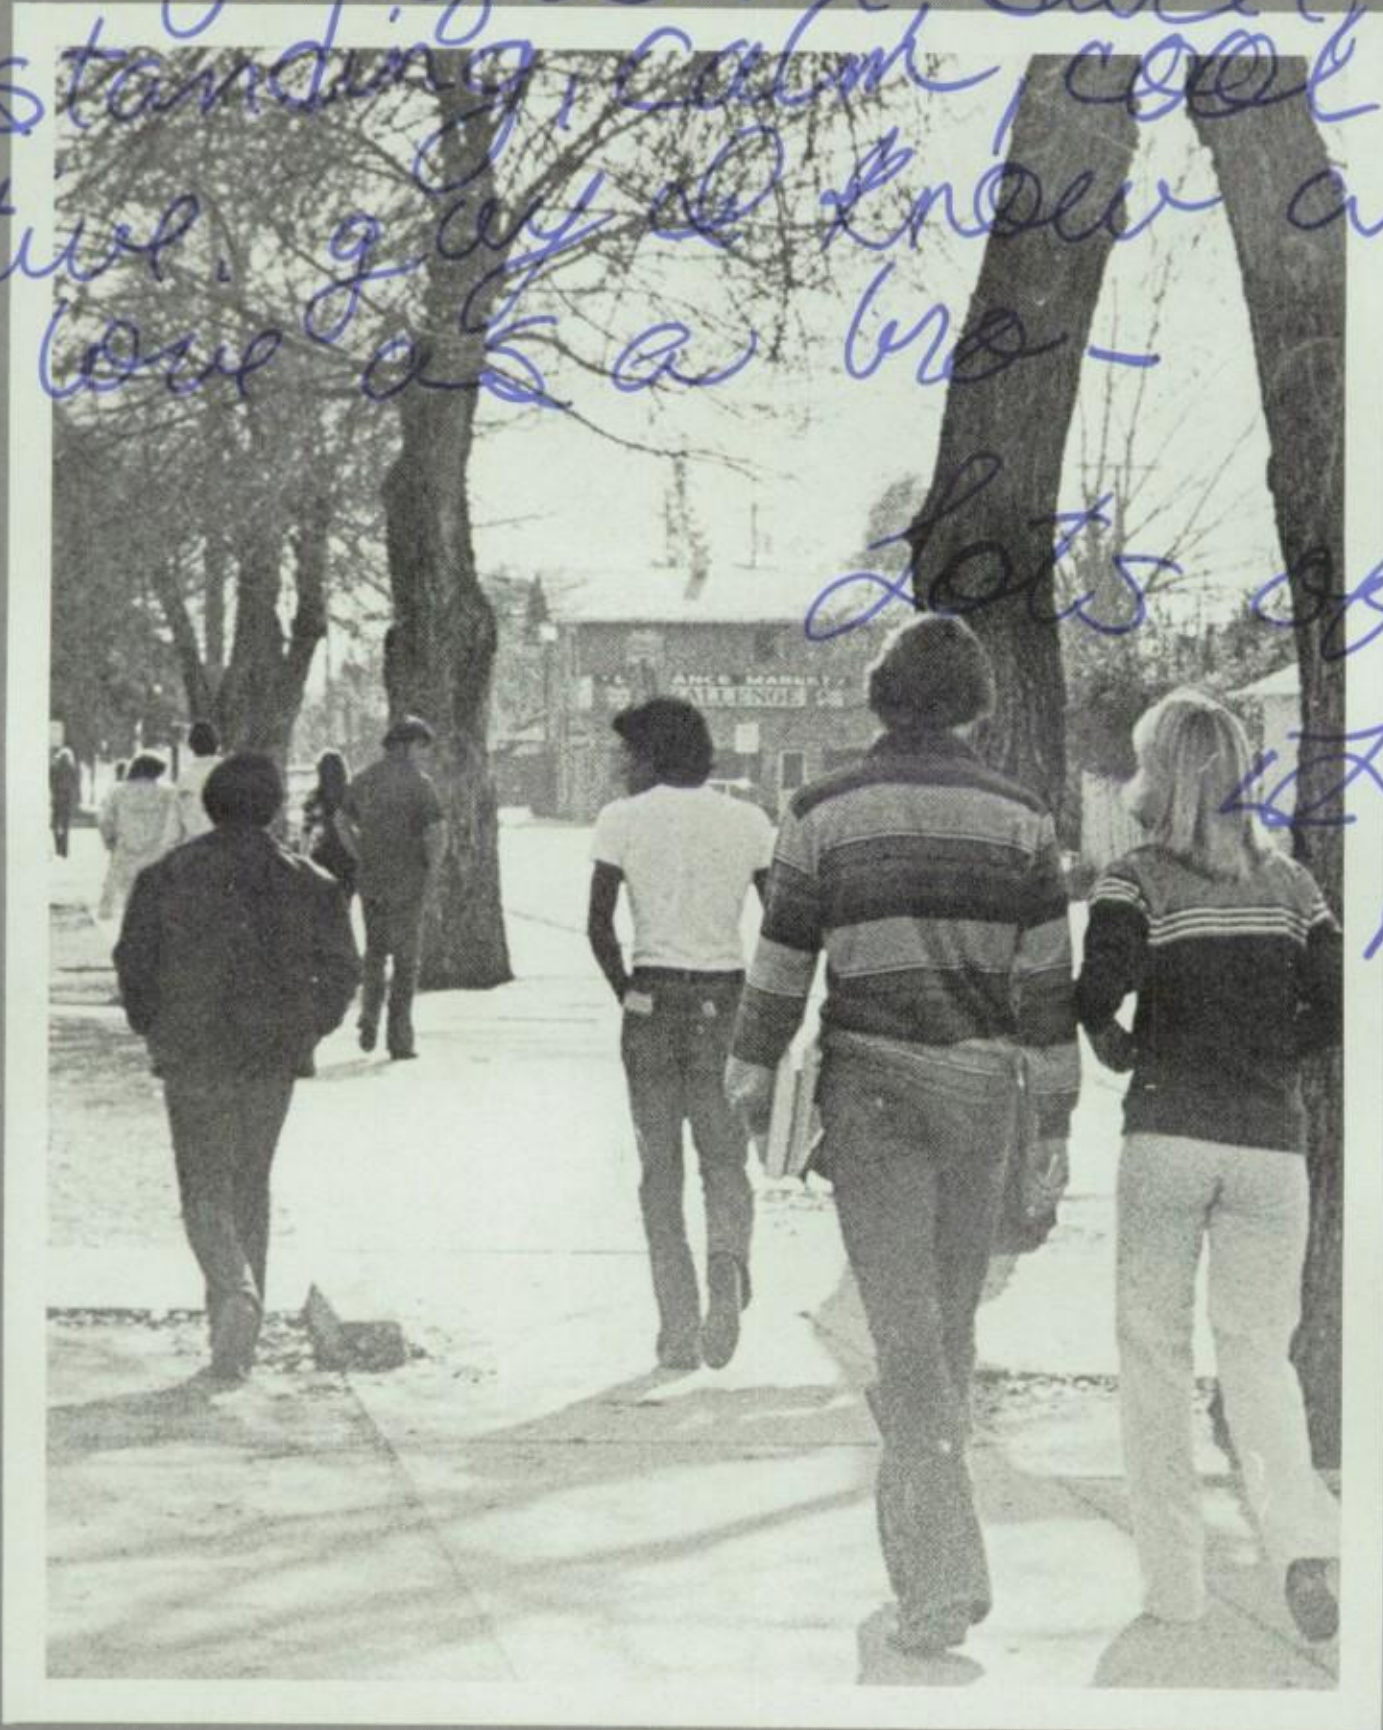

Coach Mike Newell said, "The Dinuba wrestlers faced a serious manpower shortage this season." With only 12 wrestlers competing, Dinuba wrestled through the very strong CSL schedule. Facing these tremendous odds, Dinuba made a fine showing at the league tournament. The place winners were: Robert Pinedo third, Gilbert Cavazos fourth and Hector Cavazos fourth.

1. The varsity team warms up before competing. 2. Miguel Camacho gives his opponent a lift. 3. JD Sandoval attempts to break down his opponent. 4. Doug Dart is greeted by his teammates as he leaves the mat. 5. Robert Pindo wins his match.

As the editor of the 1978 Delphic Echoes, I'd like to take this opportunity to thank those individuals who made the year prosperous and productive.

I'd like to thank Bertha Caldwell who served as our yearbook representative and the merchants of the area that purchased an advertisement in our book.

I wish to thank the members of the staff who've worked hard and spent a great deal of time to preserve the memories of the year. Each member has incorporated a portion of themselves into the book to lend a sense of personal distinction. I'd also like to thank Miss Nina Zarucchi who lended her guidance and perserverence throughout the year.

Most of all I'd like to thank you, the student body for making all of our work worthwhile.

A School Year Filled With Activity,

1. Alice Dowling and Beverly Whitted won the Girls Haystacking Competition. 2. Paul Henderson was chosen King of Hearts. 3. Negat Neisn Yaghoob was a new student from Iran. 4. Coney Rhea goes for a shot in Valley Playoff action against Foothill. 5. Bruce Nii, Karla Cochran, David Mize, Lynne Mello, Donald Willems, Steve Riano, Graviel Espinosa, and Juan Montelongo claimed Bank of America's Certificates of Merit. 6. Emerald & White staff members examined copies of the paper's new format. 7. The AFS exchange student from Sri Lanka (formerly known as Ceylon), Deepika Ranaweera visited Dinuba High School.

Academic, And Athletic Winners

One of the most exciting thing this year was the Boys Varsity Basketball team. They always provided the Emperor fans with an exciting game. By claiming second place in league competition, the team was able to go into the Valley Playoff. In the midst of all the excitement Karla Cochran was crowned Winter Sports Homecoming Queen. Other royalty included Paul Henderson, who was chosen King of Hearts. The other candidates for King of Hearts were Mike Ducusin, Donald Willems, Steve Botkin, and Darren Hawkins.

DUHS had the honor of hosting Deepika Ranaweera, an AFS exchange student from Sri Lanka formerly known as Ceylon, for a week. Another new face at DUHS was Negat Neisn Yaghoob, a new student from Iran. Other people who received recognition were those with academic achievements. Selected to compete in the Bank of America's 1978 Awards Program were Bruce Nii for science and mathematics, Donald Willems for fine arts, and Steve Riano for liberal arts. This year's Bank of America Certificate of Merit winners were: John Gallagher, music; Lynne Mello, business; Karla Cochran, home economics; Donna Dickey, English; Peggy Munson, drama; Graviel Espinosa, agriculture; David Mize, trades and industrial arts; Doug Eddy, social studies; and Julie Low, laboratory science.

Another winner was Fantasy Company's spring production, a musical version of Peter Pan. The students were able to read all this and other news in the new Emerald and White. Student Council provided the needed funds for the school newspaper to use an offset printing process which enabled them to use photographs.

Rodney,

Hey can you believe
it we passed Biology !!!
Lets raise Hell - or maybe
through through throw
a party!

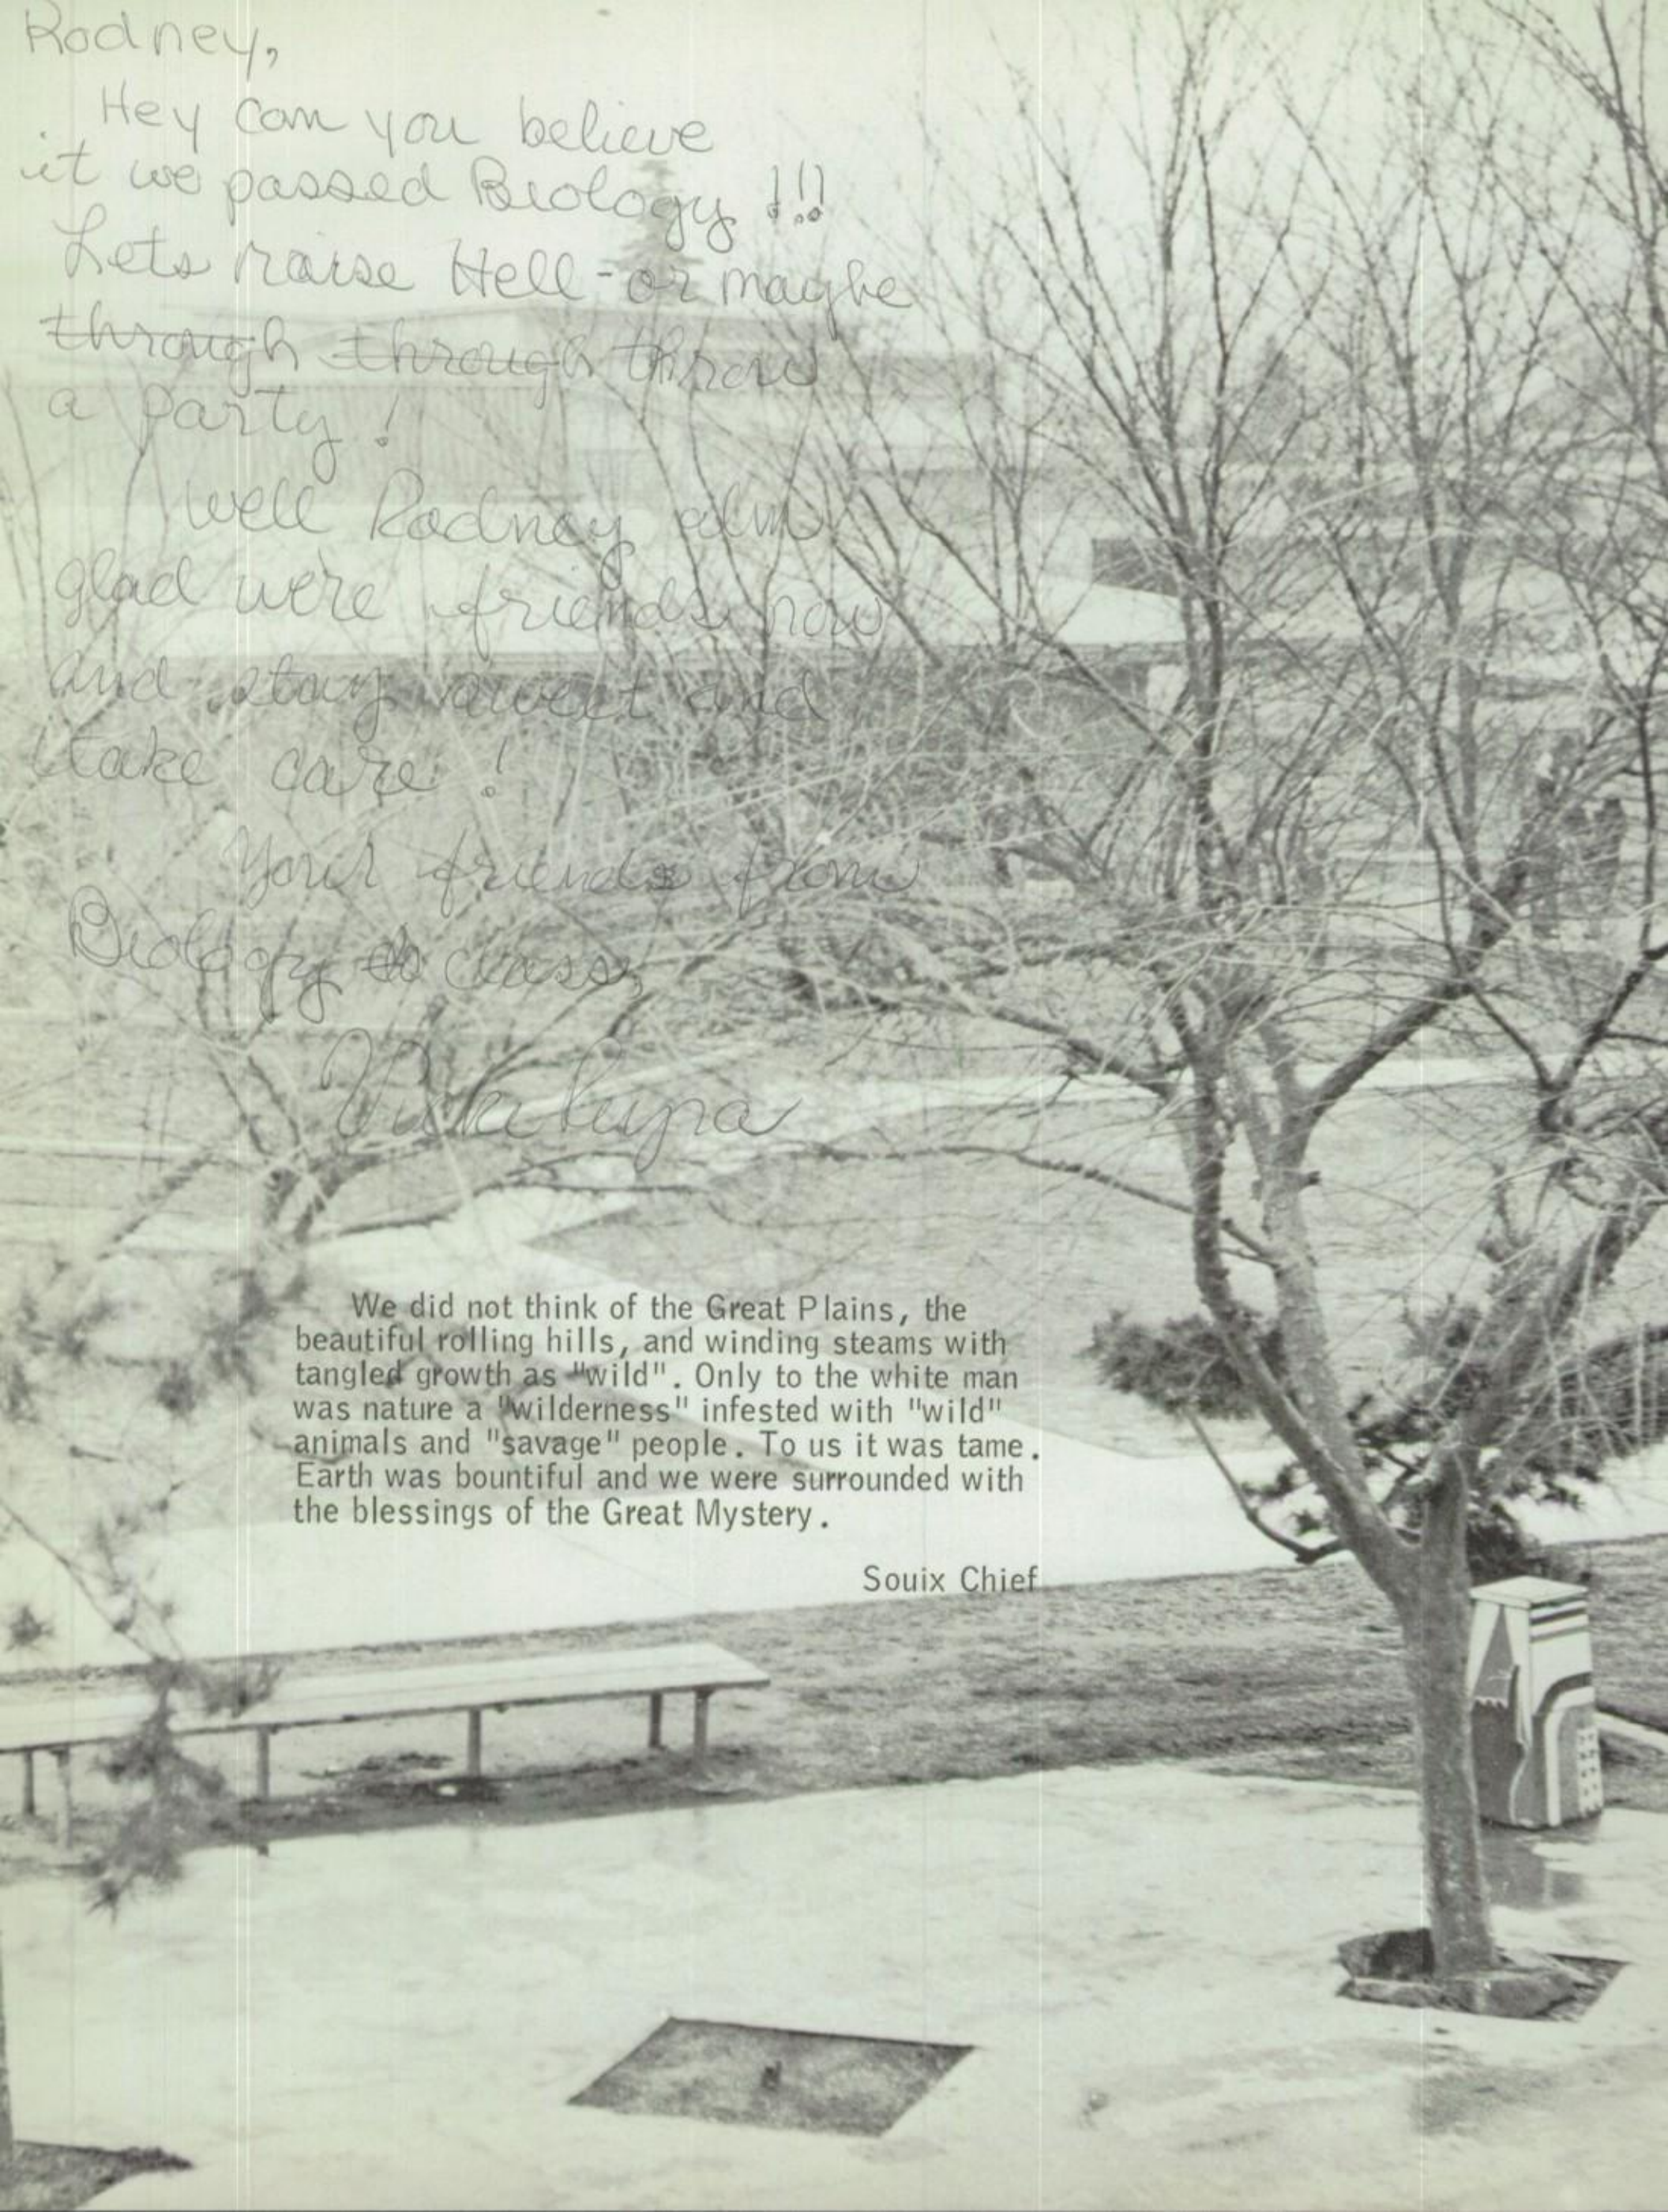

Well Rodney I'm
glad we're friends now
and stay sweet and
take care!

Your friends from
Biology class,

Vicki Luna

We did not think of the Great Plains, the beautiful rolling hills, and winding streams with tangled growth as "wild". Only to the white man was nature a "wilderness" infested with "wild" animals and "savage" people. To us it was tame. Earth was bountiful and we were surrounded with the blessings of the Great Mystery.
